"...Soprano Janice Jackson is a brilliant singer and coach with a deep understanding of drama (and the most organic mastery of extended vocal techniques I've ever seen). Watching her coach six very different 10-minute premieres was like a week-long

masterclass in how to communicate with singers and bring out the best performance you can of a vocal piece on any scale." Kala Pierson, composer

Community Engagement

Improvisation for Singers (3 hours) \$300

This is a group lesson for up to 20 singers. The goal is to introduce singers to the rich world which presents itself when we play with vocal sounds, from imitating industrial sounds and wild life to creating new sounds from our imagination. This class is about exploration and the freedom to play with the voice together. The class will culminate in a group improvisation with solo and small ensemble "spin offs".

Masterclasses for Singers (2 – 3 hours) \$100/hour

Masterclasses in acting for singers, performance practice, and singing technique. All ages, all stages, all repertoire. My goal is to assist the singer in whatever genre they choose.

Masterclasses for Singers (2 – 3 hours) \$100/hour

Specifically tailored to singing repertoire containing extended vocal techniques. The goal is to learn to work with the singer and assist them in singing contemporary music is the most engaging and healthy way possible.

Masterclasses for Composers (2 – 3 hours) \$100/hour

Writing for the voice, contemporary practices, understanding the challenges for each voice type, incorporating extended vocal techniques in a "doable" way. "Show and Tell" – viewing compositions from a singers perspective and giving feedback.

Children's Workshops (1 hour) \$100

A fun workshop for children between the ages of 9 and 11, combining art and singing. The children are asked to draw a picture and I improvise their drawings. 15 children

Group Classes with Visual Artists (2 hours) \$200

A class where visual artists working in any medium, create art while I sing various new music solos and / or improvisations. This is where singing meets visual art.

*** Custom classes specifically for your community and needs including private sessions. I welcome conversations to custom design programs which will work for your community and budget. ***
